Terms & Conditions

50% deposit is due at time of booking to hold date. Unfortunately we cannot hold your date without the deposit. The balance is due 2 weeks before the ceremony.

Deposits are non-refundable. Deposits may be applied to your event if it is postponed, so long as the event date is one year from the original date. The entire balance will be forfeited if the event is cancelled less than two weeks before the event.

Notary On Time, LLC is not responsible for cancellation/postponement of your event due to acts of God, in climate weather, or other calamity. We strongly recommend a backup plan in the event of bad weather.

***Holiday and holiday weekends are subject to higher fees. Please call to confirm the price before booking.

Late Start: Your wedding has been given a specific time slot. Other wedding couples may be dependent upon your wedding starting at the specified time so that their wedding may be timely as well. We have agreed to provide services to you at the specified time. Your guests also should rightly expect that the wedding will start on time. Therefore, a late fee will necessarily be charged for any wedding that does not start within 30 minutes of the specified time. Thirty minutes late will be assessed a \$150.00 late fee and will be charged to credit card on file. Any wedding that has not begun within an hour after the scheduled time may be cancelled with no refund, at the officiant's discretion.

If late fee is not paid, marriage license will not be filed and picture CD will not be released until late fee is paid in full.

[Florida](#) Marriage License Express [Click Here](#) Non-Florida Residents Only

There is a 3 Day waiting period for Florida residents.

Even though couples will get their license immediately, there will be a 3 day waiting period for the license to become valid. This means Florida residents cannot marry until 3 days after receiving their marriage license.

No waiting period for non-residents!

In order for couples to marry in the State of Florida, they need a marriage license. The cost of the license is \$93.50.* Most of the fee goes to local charities. Your marriage license can be attained at most courthouses in the state. You do not have to be married in the county that you get the license. Please check your local county for rules. There is a three day waiting period for Florida residents. This is waived for nonresidents.
